RE: Teachers-Teachers.com Recruitment Service

Dear Citadel Education Majors:

The State of South Carolina Department of Education (www.scteachers.org) has contacted the Career Center to share information regarding an online recruitment service for South Carolina K-12 School Districts. Please find details below.

- The South Carolina Department of Education and the Center for Educator Recruitment, Retention and Advancement (CERRA - <http://cerra.org/>) have contracted with the web based recruitment service Teachers-Teachers.com.
- The service is free to teachers, administrators, speech pathologists and other related service personnel searching for a job in education.
- Registering with the service enables candidates to:
 - Receive e-mail notification of job openings and announcements regarding job fairs, incentive programs, mentoring programs, etc.;
 - Electronically submit customized cover letters and a universal online application to prospective employers;
 - View the websites of school districts with job openings; and
 - Track their job search online.
- School districts begin their hiring process in the spring before a new year, therefore, in addition to upcoming graduates, second semester juniors and first semester seniors may also register with the Teachers-Teachers.com service.
- To learn more about the service, please visit www.teachers-teachers.com/southcarolina or download an information packet and a PowerPoint presentation at www.teachersteachers.com/candidateinformation.
