

Your 2024–2025 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called Verification. The law states that before awarding any Federal Student Aid, we must ask you to confirm the information you and your spouse, if applicable, reported on your FAFSA. To verify that you provided correct information, the financial aid office will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information will be corrected.
