TYPE OF ADDENDUM:

- Change or clarification to the Solicitation’s specifications, requirements, or scope of work.
- Questions posed regarding the Solicitation and their respective answers by The Citadel.

Questions:

1. Are clarifications or exceptions to the terms and conditions of the Bid Documents permitted?

ANSWER: Yes, vendor can submit their exception to clauses in our T&C during the question period. If the State chooses to modify or remove, it will be stated in the responses issued in an Addendum. If a vendor takes exception to any T&C after that date or in your bid response you will be deemed “Nonresponsive”, and your bid will not be considered.

2. Can Bidder submit its pricing for product only, which is exclusive of freight, installation, and other charges?

ANSWER: No, this is an all-inclusive award that includes on-site delivery, setup, freight charges, and coordination of equipment removal which precludes those options being asked for.

3. Will Customer agree with a force majeure clause whereby Bidder shall not be responsible for events outside of its control?

ANSWER: See response to 2 above.

4. If there is a requirement to provide professional liability coverage, will Customer remove it since this is not applicable to Vendor’s services?

ANSWER: See response to 2 above.

5. Can Bidder assign the contract without notice or consent in the event of merger, acquisition, or sale of Bidder’s business?
