SOLICITATION TITLE: RFP 23018-JD Public Safety and Security Mobile Device & Personal Computer Application

TYPE OF ADDENDUM:

- Change or clarification to the Solicitation’s specifications, requirements, or scope of work.
- Questions posed regarding the Solicitation and their respective answers by The Citadel.

DESCRIPTION OF CHANGES: Questions Received & Answers:

Question: From the Requirement: Does the system have the capabilities to send messages via each of the following methods from within a single interface?

Answer: *The Citadel is requiring a single interface for all possible options only.*

1). IPAWS- is this a requirement, or an option?

Answer: *The Citadel is registering as an IPAWS location so it would be nice to have this feature but not a requirement.*

2). Social Networks - Is this also a requirement or an option?

Answer: *With the dynamics of our campus environment and cadet life, this would be a requirement to push messages on the different popular social networks to reach everyone.*

3). Is the Citadel Branding a must have?

Answer: *Yes this would be a must have to avoid any confusions and save time in case of an emergency.*

Additional explanation: *Under the Scope of Work, paragraph 2 lists the mandatory requirements and paragraph 3 lists what would be nice to have additional options.*

- Other Change: Describe

The Closing Date is being extended to Thursday, April 6, 2023, at 2:00 PM to allow additional time to prepare submission responses.
