Postdoctoral Fellow, Departments of Pediatrics and Psychiatry, Medical University of South Carolina, Charleston, South Carolina, pursued external funding for oncology research, taught courses, worked in the IMPACT program; 2002-2003

Adjunct Faculty, Department of Psychology, College of Charleston, Charleston, South Carolina, taught undergraduate courses; 2002-2003

Predoctoral Intern, Departments of Psychiatry and Developmental Pediatrics, Medical University of South Carolina, Charleston, South Carolina, Clinical Child Fellow; 2001-2002

Adjunct Faculty, Department of Psychology, Samford University, Birmingham, Alabama, taught undergraduate courses; 2000-2001

Project Coordinator, Agency for Health Care and Research and Policy, Sparks Clinic and Children's Hospital, University of Alabama at Birmingham, Birmingham, Alabama, Improving chronic disease health status and utilization: A multi-site investigation; 1999

Neuropsychology Assistant, Department of Medicine and Neurosurgery, University of Alabama at Birmingham, Birmingham, Alabama, conducted neuropsychological evaluations under supervision of Dr. Thomas Boll; 1999-2000

Eligibility Coordinator, Department of Athletics, Samford University, Birmingham, Alabama, administered student-athlete study halls; 1997-1999

Project Coordinator, Lister Hill Center for Health Care Organization and Policy, Center for Outcomes and Effectiveness Research and Education, University of Alabama at Birmingham, Birmingham, Alabama, Symptom management in older primary care patients; 1998-1999

Other Employment

Private Practice, Lloyd A. Taylor. Ph.D. Affiliated with Charleston Pediatrics and Behavioral Health in Charleston, South Carolina; 2002-present

Honors and Awards

The Southern Conference "All Conference Faculty Member" The Citadel, 2020-2021

Commencement Speaker, Chancellor's Honors Program, University of Tennessee at Knoxville; May 11, 2018

Fulbright Regional Travel Award, Montevideo, Uruguay; 2016-2017

Fulbright Canada Travel Award, Vancouver British Columbia; 2016-2017

Phi Kappa Phi, The Citadel; April 18, 2010

Early Career Psychologist Delegate to State Leadership Conference, American Psychological Association (APA); 2006

Outstanding Clinician Award, Medical University of South Carolina Psychology Internship Training Program; 2001-2002

Student Representative to the Psychology Educational Committee, Medical University of South Carolina Psychology Internship Training Program; 2001-2002

Deputy Student Representative to the Society of Pediatric Psychology, Division 54 of the American Psychological Association; 2001-2003

Top Graduate, Spring Commencement, College of Liberal Arts and Social Science Division, University of Tennessee at Knoxville, Knoxville, Tennessee; 1996

Golden Key National Junior Honors Society; 1995

Phi Beta Kappa National Honors Society; 1995

Psi Chi National Honors Society; 1995

Gamma Beta Phi National Honors and Service Society; 1993

College Scholar, University of Tennessee at Knoxville, Knoxville, Tennessee; 1993-1996

Whittle Scholar, University of Tennessee at Knoxville, Knoxville Tennessee (The most prestigious undergraduate scholarship awarded at The University of Tennessee); 1992-1996

Other Administrative Duties (2020-present)

Academic Representative (Delegation by Provost) on the following items:

- 1) *Health solution for cadets/ Procurement of Tele/Virtual students.*
 - a. Coordinated what the requirements (levels of service, etc.) should be with the Counseling Center as well as a team of Psychology faculty members.
 - b. Assisted with writing the requirements.
 - c. Identified and contacted a number of vendors in the marketplace.

- d. Led information gathering sessions from vendors.
- e. Evaluated and scored the “best value” bid following the State of South Carolina procurement law and rules considering qualitative factors as well as price.
- f. Continues to monitor the results of the service.

2) *Inter-agency agreement with the Medical University of South Carolina*

MUSC is a \$4 Billion entity including an academic medical center, affiliated hospitals and physicians’ practices). The agreement moved The Citadel’s 24/7 medical operations to MUSC. MUSC assumed responsibility for The Citadel’s Infirmary, which includes a Chief Medical Officer, Nurses, and 35 in-patient beds. The Citadel/MUSC agreement was the first of its kind in South Carolina and a new model for all public institutions in South Carolina.

- a. Office of the Provost Representative throughout the entire process meeting with the Chief Operating Officer and Chief Physician Executive of MUSC and editing the service related pieces of the inter-agency agreement.
- b. Assisted with defining the MUSC deliverables and key services to be provided including incremental services.
- c. Academic lead on further negotiations for sponsored research associated with The Citadel’s D1 athletes and MUSC’s Health and Human Performance research portfolio including the potential building of new facilities at The Citadel for that research.
- d. Academic Lead on the potential transitioning of cadet/student counselling services to MUSC in this academic year to align with holistic health care for the cadets/students. This included expanding The Citadel’s Psychology grad students doing their supervision on campus at The Citadel in the counseling center and also at MUSC facilities.
- e. Lead Academic Advisor from The Citadel to the MUSC/Citadel Joint Operating Committee for the Infirmary and Medical operations.

3) *Business case creation and expansion of an academic program.*

- a. Determined academic requirements and accreditation.
- b. Determined staffing and course loads.
- c. Determined revenue model and cost models.
- d. Projected enrollment based on existing marketplace.
- e. Determined initial investment required and number of years to break-even and to have surplus generation.
