### 2025 Nomination Submission Guidance

- Liaisons will coordinate with STEM faculty to solicit nominations for their institution's 2025 Astronaut Scholar nominations (internally reviewing a minimum of EIGHT candidates) during the nomination window.
- Liaisons will provide basic data on the university's nominee pool (minimum of EIGHT). This data will be submitted via the 2025 All Astronaut Scholar Nominees form (due Friday, March 17, 2025).
- Liaisons will, in collaboration with their campus's final nominees, upload and submit their final nominations (two per scholarship) to ASF via this online application no later than Monday, March 31, 2025 (nominee packages must be provided by the liaisons via this portal to ensure ASF receives the university's FINAL NOMINATIONS).
